**TEA TERRACE**

---

A VERY ENGLISH TEA ROOM

FOOD AND SERVICE STEEPED IN GOOD TASTE

W E L C O M E

*Dear Guest,*

*Thank you for visiting us today and for choosing The Tea Terrace.*

*We hope you're enjoying the unique, and somewhat quirky, surroundings of our tea rooms which have been designed to create a wow factor and stand out from the litany of boring characterless restaurants. Love it or hate it, there's no denying the design of our restaurants is quite different!*

*You will soon see that not just our interior design is different but also all the china and crockery that we use. Our cutlery has a vintage regal style which has been carefully selected to remind you of a bygone era when dining was a formal occasion. And we don't use boring soul-less white ceramic china. We use our own beautiful range of fine bone china. Even our teapot-shaped salt and pepper shakers and our vintage wooden table numbers, have been designed especially for us to create a lasting impression.*

*If you love what you see, you can take a piece of The Tea Terrace home with you. Everything you see around you is available for sale. From the salt and pepper shakers and the fine bona China to the high-back 'throne chairs'. Just ask our manager for details and prices.*

*Whether you're having breakfast, lunch, afternoon tea, or just a cup of tea/coffee or a slice of cake, our aim is to make your visit to our tea rooms an enjoyable, and hopefully a memorable, one.*

*We hope you enjoy your drink or your meal. Follow us on Instagram @TheTeaTerrace then post a photo with the hashtag #teaterrace for a chance to win a Cream Tea for Two. It can be a photo of your food, drink or of you and your friends at our tea rooms. If your photo is selected, we will get in touch and send you a gift voucher for a Cream Tea for Two!*

*We value your custom, and hope to see you again soon.*

*Order your Selfieccino now*  
*There's no better way to 'espresso' yourself*

## ***How about a delicious Cappuccino or Hot Chocolate with your Face on it?***

*All you have to do is order a Selfieccino from your server, and choose whether you want it as a cappuccino or a hot chocolate. Then take a selfie, or choose an existing photo from your phone (ideally with a light background), and send it to our staff by WhatsApp or text message (ask our staff for the phone number). Our barista will then use our high-tech food printer to print your photo on your cappuccino (or hot chocolate) using edible food colouring. Why post a regular Selfie on Instagram when you can post a photo of your Selfieccino?! Only £5.95*

## TEA SELECTION

*We don't believe in serving supermarket-brand teas. We serve a gourmet brand of WHOLE-LEAF tea that is not available in the retail market. The difference is that our gourmet tea is made up of whole, unbroken leaves in a pyramid teabag. Supermarket brand teas are usually made from the opposite – low tea grades, such as dust and fannings. This means the tea loses many of its essential oils (what makes tea flavorful & aromatic) leaving the tea dull and stale.*
